RCH Easter Egg Hunt a Success!

On Wednesday, April 1, the Fun Brigade Team at RCH held the first RCH Employee Easter Egg Hunt. Employees were asked to bring their children and/or grandchildren for this festive event. With a very sunny day, despite the 25 mph winds, the volunteers proceeded to hide 730 plastic eggs filled with goodies, all over the RCH campus. It didn't take long for the eggs to disappear into the Easter baskets of the 51 children that were present. We were so elated that the Easter Bunny found time in his busy spring schedule to hop in for a visit. What a great time the

children had giving knuckles and taking pictures with him. The day ended with cupcakes, certificates for a free DQ ice cream cone and a drawing for various prizes. Every child left with mountains of sugar in their system and most of all, a smile.

This venture was made possible by volunteers and donations from RCH employees. A big thank you to all who helped make a difference. We will have pictures in the next newsletter.

Update on Hospital Expansion

The hospital will soon be starting the bidding process for Phase 1 of the Hospital Expansion Project which includes the addition of the MRI suite off the west side of the hospital in the Radiology Department. Once all the bids have been submitted, we will choose a contractor. A ground breaking ceremony will be announced when we get closer to starting construction.

We are applying for tax credits again this year. We have a sign-up sheet for anyone interested in using them. Our application will be rated much stronger if we have most of the credits claimed when we submit our application so please see me or Kathy Ramsay if this is something you would consider helping us with. The deadline for the application is at the end of April so please let us know right away.

We want to thank everyone who is currently giving to the project through voluntary payroll deduction. Being able to show the support from the staff helps us so much when we are applying for grants. If you are interested in joining, please see Cindi. **Every cent helps and every employee that signs up increases our chances of securing additional funding.**
