RCH Celebrates Paradise Creek Festival

Chris Rinehart and his son, Ben, pose in front of the float before the parade on Saturday. This year marks our 60th anniversary. Keeping with the theme of the float, staff donated cupcakes and we handed them out during the parade

We recently received this wonderful thank you letter from one of our patients and we wanted to share it with the entire staff.

Thank you!

"I would like to express my heartfelt gratitude to RCH for their amazing care provided to me while I was a patient there. From the time I got there to the time I left, the staff treated me like royalty and I felt like I was one of their family members. I could not have received better care anywhere and felt so at peace being there.

RCH provides a loving, caring and healing experience that I have never received at any other hospital. I will forever be grateful to RCH for giving me hope that there are still people out there that care.

I was so happy when Dr. Mike Oller accepted me as a patient. He made it possible for me to come to RCH. Dr. Oller, ER staff, RN's, LPN's, aides, PT, RT, kitchen staff, housekeeping and everyone I came in contact with, all took such great care of me. They are all fantastic people and helped me in so many ways to get better. No task was ever too much to ask of any of them. I especially want to thank Ashley and Caitlin for their wonderful loving care.

Rooks County is so blessed to have this gem of a hospital in their community. I did not realize this until I entered RCH's doors. Your facility and staff are the BEST!

Thank you from the bottom of my heart!"
