

A gentleman who was here visiting a family member recently stopped to visit with Eric Sumearll this week.

The man said, *"From what I've seen of all other hospitals, yours is the absolute best. A beautiful building and even more beautiful are the people who work here."*

What an amazing compliment to us all!

Keep up the good work!

Congratulations to June Karlin. She is the August Employee of the Month!

June Karlin was nominated by Pam Harmon. June has worked at RCH since August 2004 as an Administrative Assistant.

Congratulations June!

got a flex account?

Did you sign up for a Flexible Spending Account this year? Did you know you can use it to pay for copayments, deductibles, some drugs, and some other health care costs? You can use your FSA funds on prescription medications, as well as some over-the-counter medications with a doctor's prescription. Reimbursements for insulin are allowed without a prescription. It may also cover the costs of medical equipment like crutches and supplies like bandages. Starting this year, employees will be able to carry over up to \$500 to the next year. Contact Cindi Knipp for a complete list of eligible items or if you have any questions.

Human Resource News
