

DOCTORS WITHOUT DELAY WELCOMES NEW PROVIDER

Doctors Without Delay Walk-In Clinic welcomes Nichole Ganoung, PA-C as the newest provider at the clinic. She joins Dallas Dooley, APRN, as the two providers who will be the primary staff for the clinic. There are now eight providers available to provide coverage at the clinic. Doctors Without Delay is located inside Rooks County Health Center (RCH) at 1210 N. Washington along US HWY 183 just north of Plainville. The clinic is open 8 a.m. to 6 p.m. Monday through Saturday.

“RCHs campus is very impressive and houses a lot of state-of-the-art equipment typically not found in a critical access hospital,” stated Ganoung. According to Ganoung the CT Scanner, Stroke Robot and new Nuclear Medicine and MRI Suite are essential to enhancing patient care and saving lives. With the walk-in clinic located inside RCH, patients have immediate access to these

screening devices without leaving the building or incurring ambulance expenses should their condition merit a trip to the Emergency Room.

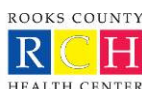

Ganoung brings 10 years experience as a Physician Assistant to Doctors Without Delay. She spent eight years working in Pulmonary, Critical Care and Sleep Medicine before practicing Family Medicine the last two years. She is a native of Jetmore, KS and holds a Bachelor of Science in Nursing from the University of Kansas and a Masters in Health Science and Physician Assistant certificate from Duke University. She is married to Tyler Ganoung of Plainville and they have two sons, Tyson and Benjamin. When not in the clinic, Ganoung spends time with her family and is involved with her church. She enjoys quilting whenever she can.

Doctors Without Delay Walk-in Clinic accepts patients of all ages with no appointment necessary. For more information call 785-688-DOCS (3627) or go online at www.DoctorsWithoutDelay.com.

She loves fishing, camping, cooking, crafting, gardening and hanging out with her family.

Her faith in God is always first in her life. She is caring and loves to have fun! LaDonna is happy and excited to be a part of the RCH team!!

RCH Auxiliary NEWS

A new fundraiser has been set for the RCH Auxiliary for Wednesday, November 29 in the front lobby. Red Rock Traditions is a new vendor and will be donating all proceeds to the RCH Auxiliary for Phase 2 of the hospital expansion project.

RCH Auxiliary sponsored BLOOD MOBILE *scheduled for December 19 from 11am-5pm at the K of C Hall in Plainville.*

Auxiliary dues for 2018 are now due!

The Annual Memorial Tree Lighting will be held on Sunday, December 10 at 2pm in the clinic waiting area.

Traditionally the tree lighting has been held on the first Tuesday of December at 7pm. The Auxiliary realized it can be difficult for some to get out on a week night, especially in the winter months so they hope the change will increase the turnout.

The ceremony will include prayer, a full reading of the list of names that were purchased, and singing "Silent Night."

Other changes this year will include an opportunity to "share a memory" of a loved one. Note cards will be available before the event or as you purchase a memorial. You can write your memory and leave it hanging on display in the RCH lobby.

After the ceremony, everyone is invited to the cafeteria to enjoy some refreshments.

All proceeds from the tree lighting will be used to fund the Auxiliary Scholarship Fund, which supports area students who are pursuing a healthcare degree. If you would like to purchase a light in memory of a loved one, please find forms and memory cards in the RCH Auxiliary Gift Shop and with Kandie Morain. Cost is just \$5 each.
